

REPORTING A CAMPUS CLIMATE CONCERN

Walk through the steps to reporting a campus climate concern, either experienced or witnessed.

IS IT A CAMPUS CLIMATE CONCERN?

A campus climate concern can include actions that discriminate, stereotype, exclude, harasses or harm anyone in our community based on their

identity (such as race, color, ethnicity, national origin, sex, gender identity or expression, sexual orientation, disability, age, or religion).

Concerns may stem from fear, misunderstanding, hatred or stereotypes. Behaviors may be intentional or unintentional.

HOW DO I REPORT IT?
